Hairy minges aren't everyone's cup of tea, but if you do like a fluffy muff they don't come much better or bushier than Bettie Malone's! We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

DO YOU SHAVE YOUR PUSSY?

Yes, I always keep my pussy silky smooth. My boyfriend Jason loves it, he tells me there is nothing quite like going down on a freshly shaved cunt. I think it makes my pussy more sensitive and I wouldn't have it any other way.

Jason enjoys watching me shave. He likes to sit in the bath with me slowly pulling himself off while I go to work with the razor. By the time I am done he always has a stonking hard-on.

Last time he watched me shave he led me into the bedroom and made me sit on one end of the bed while he sat on the other end facing me. He told me to frig myself off while he watched and wanked.

I stroked my baby-smooth lips and slid a finger between my flaps. I eased it inside my moistening hole while Jason sat opposite me tugging on his big hard cock.

I slid a second finger inside my cunt and fingered myself. My cunt was creaming up and my smooth mound glistened with love juices. This was too much of a temptation for Jason so he came over to me and gently pushed me onto my back. He kissed me on the lips and I could feel his blunt cock rubbing against my cunt.

Slowly he worked his way down my body with his mouth, taking in my erect nipples on the way. When he came to my cunt he murmured with approval as he surveyed it. Then his tongue was buried inside my sticky hole and his thumb was flicking my clit.

HE ENJOYS WATCHING ME SHAVE MY CUNT ABSOLUTELY SMOOTH

I writhed and moaned as I felt an orgasm approaching. Just as I was getting very close to cumming, Jason repositioned himself and slammed his meaty boner right up my juicy cunt. This knocked me for six and my cunt instantly started to spasm as my orgasm rushed upon me. He kept pounding into me as I came all over his cock.

I dug my nails into his bum and pulled him into me hard and fast. After a few minutes of vigorous fucking he told me he was going to cum. I wanted to taste his hot juice so I told him to cum in my face.

Jason pulled out and straddled me, pointing his cock at my face and furiously milking it.

I strained to get my mouth as close as I could to his spurting cock. I caught the first jet of cum on my tongue and the next two splashed over my cheek and chin.

Then I lapped up as much as I could get at and licked his cock clean.

Gwenda, London

HAVE YOU EVER HAD A LESBIAN EXPERIENCE?

I have a bit of a history with one of the girls I went on holiday with, Georgie. We are really good friends and we have been involved in threesomes before in which we have kissed, fingered and eaten each other out. She is really fun, really sexy and great with her tongue too!

One night on the holiday me and her found ourselves in a wet T-shirt contest, as you do. We were pissed and the other girls had egged us on until we had agreed.

Besides, I quite like showing off my body. I was the first to get drenched. We had to wear bikini bottoms and they gave us a thin white T-shirt to wear on top. They poured a big bucket of warm water over me, to much cheering from the crowd. The T-shirt immediately clung to my skin and my large round breasts bulged out and my dark nipples poked out like bullets.

I jiggled my tits around for the crowd, getting a good cheer and a few lewd comments.

Then Georgie got soaked, and her tits were on display too. She has lovely round

FESSIONS

THE CROWD WERE EGGING US ON TO GET OUR LOVELY ROUND MELONS OUT

melons, and the blokes were going mental as she rubbed them and wobbled them around. Then she came over to me and pressed her tits against mine. They felt cold and hard as they pressed against me.

The crowd were loving it, egging us on to get our tits out. Georgie was the first to take her top right off, chucking it into the crowd. Then I copied her, peeling my top off and letting my tits swing free. The crowd gave us a big cheer, especially when Georgie grabbed hold of my waist and shoved her tongue down my throat in front of everyone.

The whole thing seriously turned me on and I knew Georgie and me would be getting it on later. I wasn't wrong. We were all over each other in the bars and in the end we just went home early to shag.

I lay on my bed completely naked with my legs spread while Georgie kissed me all over. She found my cunt and planted kisses all over my smooth mound. Then she gathered my pussy lips into her mouth and started to suck them. That felt nice, especially when she slid a finger inside my juicy hole.

Georgie really knows how to get me cumming. She teased my clit from behind the hood with her fingers so she could lick it directly with her tongue. She always does this to me – I love it and it and it always makes me cum. After I had cum and she had lapped it up, it was Georgie's turn.

I told her to lie on her front and close her eyes. Then I went to the fridge and pulled out a long, firm, cold cucumber. Then I put a pillow underneath Georgie so her arse and cunt were raised and easily accessed.

I ran a finger along her slit and eased it inside her wet hole. I started to finger her, working in a second finger, a third and finally a fourth. I was getting her stretched and wet so she could handle the thick cucumber.

I put the cucumber on her back to give her a bit of a warning of what was to come, and she flinched from the coldness of it and the realisation of what I had in store for her. I traced a line with the tip of the cucumber down her spine and down her arse crack until it was resting against her creamy cunt hole.

"Go on, give it to me!" she said. I parted her lips and nudged the end of the cucumber inside her. She raised her hips to help me out. Slowly I fed the large cucumber into her, inch by inch. I told her to tell me when to stop, and she must have had ten inches of it inside her before she whimpered that was as far as she could take it.

I slowly withdrew the cucumber a few inches before sliding right back up her.

Georgie was moaning, groaning and squirming with pleasure as I started rhythmically fucking her. Georgie is dirty bitch and I know she likes having her arse licked and fucked. I didn't think even she could take that big cucumber up her arse, though.

Instead I leaned forward and started licking her arsehole while I fucked her with the cucumber. She moaned appreciatively and thrust her arse at me. She told me she had an orgasm around the corner. I took her hand and placed it on the cucumber, telling her to take over for a minute. I went to the fridge again and this time snapped two ice cubes out of the container and took them into the bedroom.

I WATCHED HER LYING FACE DOWN ON THE BED FUCKING A BIG CUCUMBER

I stopped for a second to watch Georgie lying face down on the bed fucking herself silly with a big cucumber. What a horny sight! Then I went over to her and took over with the cucumber. I told her to tell me when she was cumming. I started licking her arse again while I fucked her. She was really getting close now, bucking and squirming on the bed.

Her body started trembling and she told me she was cumming. With that, I slipped the two ice cubes quickly inside her arsehole.

She yelped when they went in and then screamed as she had an immense orgasm. She was cumming for ages, and when she was done she told me she had loved the feeling of the freezing ice cubes in her arse, especially as she hadn't expected it.

I know the next time we get it on Georgie is going to think of something to surprise me with to get her own back. I can't wait!

Sandy, Hants

DO YOU ENJOY HAVING THREESOMES?

I don't know whether I should tell you about this because I haven't told Jason yet, but I did have a threesome before I met him. He'll probably enjoy hearing about it actually – he loves my slut-tish stories about past sexploits.

I pulled this bloke called Martin at a club back in my college days. He took me back to his flat where there were a few people having a late night drink and smoke. We joined in, and as the night went on people went to bed and the group was gradually whittled down to just me, Mar-tin and this fit bloke called Will.

I was being a bit of a flirt with Will, I have to admit, even though it was Martin who I'd come home with. I didn't know any of these people before that night, by the way.

I put it about a bit at college and I was known as a dirty stop-out by my friends.

And why does she call herself 'Kimmy Cumlots'? "You'd think it would be because my pussy gushes when I have sex, but it's atcually the opposite, not that I don't cum though, because I do. ELLE

We never thought we'd see the day when Elle Hunter crossed over from our sister magazines, Mayfair and Club, to appear in one of our gottier titles. "I love getting all dolled up for your other magazines, but sometimes a girl just wants to be filthy, get out her dildo and fuck herself on camera. I think Razzle is probably the best fit for that don't you?" Couldn't have put it any better if we tried Elle!

If only this was the local pub rather than Sami's front room, it would be packed every night of the week and they'd be doing a roaring trade. "My husband built the bar for him and his mates cos they were fed up with paying the high pub prices for a pint. And when I have a few too many drinks some version of the photos above tends to always happen!"

They always get teased at school, but redhead girls always have the last laugh – what's sexier than creaming over a strawberry blonde? Perhaps creaming over a couple of them? "My friend Rachel is ginger too and her boyfriend fancied the pants off me. So we dragged him back one night, stripped him off and made him lick my auburn pussy while Rachel rode him. He was happy as Larry!"

TRUE CONF

...CONTINUED FROM PAGE 27

One thing led to another and a short while later I found myself lying on Martin's bed with Will's cock in my mouth and Martin between my legs licking me out.

Will, who turned out to be a right dirty bastard, was kneeling over me and thrusting his cock right down my throat till I gagged.

I felt Martin working three fingers inside my soaking hole while he chewed on my clit. Then the boys swapped places and I got to suck Martin's cock, which was really fat. He leaned over me and offered me his balls to suck while his mate was driving me wild with his fingers and tongue. They soon had me cumming uncontrollably.

I was still high from the massive orgasm they gave me when Will lined his swollen bell-end up against my cunt hole and rammed it home. He started fucking me hard, fast and deep while Martin fed me his balls. After fucking me to another orgasm, Will told Martin to lie on the bed and instructed me to straddle him.

I eased myself down onto his pole and started to bounce up and down. I felt Will bend me over and then I felt his tongue squirming against my arsehole.

Soon he had a finger inside me and then another. He disappeared for a minute and when he returned I felt him rubbing some lubricant around my ringpiece.

A few seconds later I felt his cock easing its way inside my tight arsehole. He pushed it all the way in and started to pump my arse. What a sensation! My first double fuck totally blew me away. I was screaming and wriggling and cumming seemingly non-stop as these two blokes rammed their hard cocks in and out of my cunt and arse.

When they were both ready to cum they stood over me on the bed and spunked all over my body. I had jism on my feet, my legs, my cunt, my stomach, my tits and in my face and hair. I felt and looked like a total slag. It was fucking amazing and I'm hoping Jason will offer me the opportunity to do it again – maybe with another cock to go in my mouth or a pussy to lick!

Gwenda, London

DO YOU LIKE PORN?

I love porn! I love wanking over all the horny women and reading about their filthy sex lives. Hopefully people will be wanking over me right now!

I also like putting on porno videos and wanking over them, or even better watching them with my boyfriend. We get all horny watching them and then we just jump on each other and fuck like porn stars.

We were watching a film recently where this girl was deep-throating this guy with a humungous cock. It was amazing how much of his dick she could get down her throat. She was doing it by hanging her head off the end of the bed so it was at an angle. The bloke was then literally fucking her mouth, sliding in right up to his balls

Jim asked me if I wanted to give it a go. I did, of course, and we scurried upstairs.

After sucking him off until he was rockhard, I got on the bed and assumed the pose I had seen on the video. Jim lined his cock up and slid it into my mouth. I relaxed and he tried to push it in further. The first couple of times I had to push him away because I was choking.

But then I changed the angle of my neck a bit and his cock just slid right down my throat till his bollocks were touching my nose. It felt so horny to be acting like a porn star. It must have felt bloody good for Jim because he was groaning like mad as he fucked my mouth.

The more I did it the more I got used to the technique and the breathing. Jason was loving it and he couldn't last long before cumming. That was the best bit – he shot his load right down my gob and I could feel his hot muck streaking against *the back of my throat.*

When he pulled out there was spit and spunk everywhere just like in some porn movie. Jim reckons that was the best blow job he's ever had.

Holly, Linc

WHEN WAS THE LAST TIME YOU HAD SEX?

Being My boyfriend Norman is a right randy sod and I am a nymphomaniac so we are always at it. The last time we had sex was last night. We went out for a few drinks in our local pub and, as usually happens after a bit of alcohol, we both got very horny.

When Norm was at the bar getting the next round of drinks I shifted in my seat and opened my legs so he could get a good view up my skirt. I didn't have any knickers on so he got a tantalising look at my hairy bush. When he came back with the drinks he had a big bulge in his trousers.

Sitting down next to me, he rested a hand on my knee.

Slowly he inched his hand up my thigh and under my skirt. I shifted again in my seat so he could just about stroke my furry cunt lips with his fingertips. For the next five minutes or so he secretly stroked my cunt while we drank our pints.

We love having sex in public places, it is a real turn-on. Our ultimate fantasy would be for a sexy girl to catch us and then join in. It hasn't happened yet, but fingers crossed! Anyway, I was getting really turned on having my pussy stroked in a busy pub. I desperately wanted to feel his fingers inside my wet snatch, so we decided to move.

We relocated to the snug, a secluded area just for two. This is our favourite place in the pub for getting horny, the scene of many a secret wank! We sat down, partially hidden by the glass partition and the table, but still visible to other drinkers. We were sitting on a small bench for two, me against the wall and Norman next to me.

I sat forward on the bench and hitched my skirt right up my thighs so it just about covered my minge but still allowed Norman to get to it. With his pint in his left hand, Norman slipped his right hand between my legs and pulled my sticky cunt lips apart.

He slid two fingers inside my hole. They went in up to the knuckle with ease. I did my best to maintain a straight face and keep quiet as he frigged me off. I was so turned on I couldn't stop myself from cumming. As he fingered me I felt my body shaking as my climax approached.

I turned to face the wall and bit my lip as I came. When Norman pulled his fingers out a load of cum spilled out and when I looked down I saw a pool of my cunt juice on the floor. Norman offered me his sticky fingers and I licked them clean of my sweet juices.

After I'd cum I wanted to make Norman cum. I whispered in his ear, asking him if he wanted a wank or a blow job. He whispered back that he wanted to fuck me. He told me to look where he had gone and to follow him in a few minutes. I watched as he walked towards the entrance to the toilets. He went through the door and I watched him through the glass window as he went through a door at the end of the corridor marked 'Staff Only'.

I waited a couple of minutes, my stomach churning and my sphincter tightening at the thought of what might happen. Then I waited till the coast was clear and got up from the bench. I went through the door to the toilets and with a furtive glance over my shoulder I quickly opened the 'staff only' door and went inside.

I found myself in some kind of store room with industrial sized rolls of tissue paper and big vats of cooking oil and cleaning fluid stacked up around the place.

Just as my eyes were getting accustomed to the gloomy light thrown off by the single blue strip light, Norman popped out from behind the door and grabbed me from the back.

He had already taken his trousers off and I could feel his thick hard cock pressing against my bum. He kissed my neck and reached round and rubbed my tits with his hands. I pushed my bum back against his cock and he responded by pulling my top up over my head. He unclasped my bra and released my small, pert tits.

I turned round and knelt down in front of him. Steadying his swaying boner with one hand, I closed my mouth around his swollen helmet and teased it with my tongue.

I massaged his bollocks while I licked up and down the length of his pulsing shaft.

Then I plunged my mouth over his cock, taking his entire length. I deep-throated him enthusiastically, to his unconcealed delight.

Suddenly he pulled his cock out of my mouth and pulled me up onto my feet. He turned me round and bent me over a massive cardboard box full of big rolls of cling film. He roughly yanked my skirt up over my arse and nudged my legs apart with his knee.

With the minimum of ceremony he lined his cock up against my moist entrance and rammed it home. I winced as he drilled his big cock deep inside me and then moaned when he lazily eased it all the way back out. I yelped with pleasure when he rammed it right back up me again.

He soon built up a fantastic rhythm, banging me with long, hard, fast strokes. I knew he wouldn't be able to fuck me like that for long without cumming. I arched my back and pushed my hips back against him in time with his thrusts, allowing him maximum penetration.

I was close to another orgasm when Norman's strokes suddenly became even harder and more frantic. This was enough to trigger my second climax. As my cunt tightened and my juices started to flow, Norman buried his cock inside me to the hilt and flooded my cunt with hot creamy cum.

He held himself inside me and just lay upon me for a few moments while we both recovered from our orgasms. Then we got dressed and sneaked back into the pub one by one. We went back to the snug and spent the rest of the night getting pissed and basking in the glow of that fantastic fuck. I had Norman's cum oozing out of my cunt and trickling down my legs all night – lush!
